Ladies & Gentlemen,

Welcome to our Darstaed newsletter No: 66

Yesterday September 4th, our distributor for our 2-r fs range Mr Ellis Clark of Ellis Clark Trains organised a train meet in Skipton. Over 400 visitors attended. On view were the first Wickham Trolley, the first sample of the B5 and the first production samples of our Thompson coaches.

At that occasion also the Pullman production was announced. These will be made in 2-r fs and a 3-r version may be considered.

Cheers,
Andries

This is what Ellis has to say :

Well, what can I say?

I don't think I've ever felt so optimistic, so proud, so touched after today's incredible show. The attendance doubled what I had hoped for, my ECT family smashed it out of the park and never stopped from the early hours of the morning, and I've never been so humble in the presence of such genuine, gratuitous and thankful people.

After 18 months of no shows, today had such a special 'buzz' in the air. I simply cannot put into words, no matter how many big words I try to use, how grateful I am for all those who showed up, both exhibitors and attendees alike, and approached me to share your gratefulness, enthusiasm and passion for the show.

I couldn't have hoped in my wildest dreams for a better exhibition, and you can count on us to host another next Year!

I cannot thank my team, the traders, layouts, exhibits and attendees enough for making today a show to remember.

It's good to finish the day with sore feet and a croaky voice once again!
Here's to many more exhibitions to come.

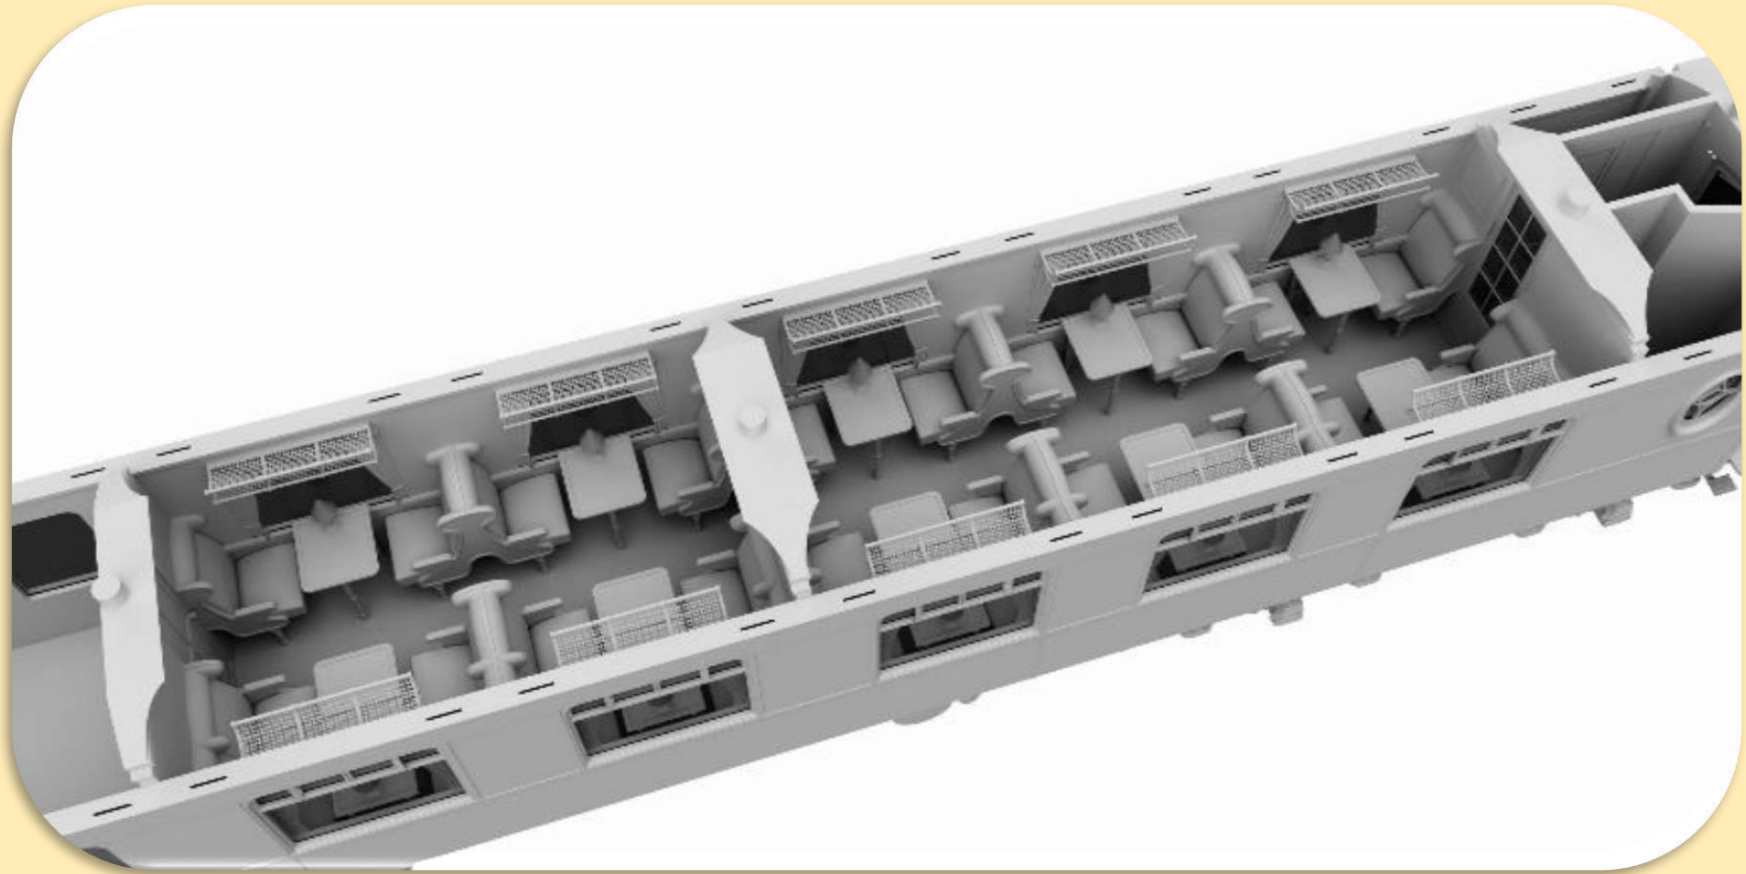

All the best,
Ellis.

Enjoy your trains,
Darstaed Team
