

Darstaed Newsletter No. 45 May 2015

*For latest news and updates please visit our news page [here](#)*

Gentlemen,

Welcome to our DArstaed newsletter No: 45.

It is with sadness that we learned that Gustav Taus, owner of ETS has left us for the spiritual realm. He was a delightful man with great humor, and since the 25 years that I had the privilege to know him his dedication to the Craft of making tinplate trains has been an inspiration for his peers. His products and creations are a testimony to this great mind and immediately recognizable regardless they bear his name or not. I shall miss our regular chats and mutual exchange of manufacturing tips. May God bless his soul.

*“Hello Andries,*

*I just received one of your engine sheds and sets A & B of LMS Period I corridor coaches. All are truly splendid. I hated to put them back in their boxes tonight so I could get to bed. I have never been disappointed with any Darstaed product. You go to such great care to provide us with the very best model railways available today.*

*Thank you once again for your magnificent trains.*

*Cheers,*

*John Ross*

Enjoy your trains,

Cheers,
