For latest news and updates please visit our news page [here](#)

Ladies & Gentlemen,

Welcome to our DArstaed newsletter No: 46.

Darstaed wishes to reassure it's customers that despite rumours to the contrary, production continues unabated at our factory and that the recently announced program of new products will occur.

The month of May saw the demise of our nationwide UK distributor due to insolvency. One very positive outcome is the establishment of Darstaed Europe instead that will be the factory stock holder and supply our distributors in the UK and on the Continent. Darstaed EU is managed by our partner Mr. Joop van Delden and has offices in Den Haag (The Hague) and a warehouse in Zeist in The Netherlands. To clarify our distribution arrangements, your main source of products continues to be from our authorised distributors listed on our website @ :
